# Reception Room Seating

## Highpoint Reception Room Furniture

Comfortable, durable, attractive and versatile furniture is designed to fit your needs and your space. The modular units let you form customized shapes and sizes that best maximize your available space, and then alter them when and if your needs change. Choose from 12 modular components that can be grouped into countless design possibilities. Use units independently or group them together to form back-to-back "U" or "S" shape configurations. Use them in rows, around corners, anywhere. Perfect for reception areas, lobbies or lounges, the furniture is quality-constructed for years of dependable use. Contoured 5 1/4" thick foam cushioned seats feature 3 1/2" thick backs and heavy-duty frames with reinforced joints. Furniture is easy to clean, and upholstered in durable olefin fabric or wipe clean vinyl. Upholstery and foam meet CAL 117 flame resistance requirements. All tables and seating bases feature heavy duty construction and are surfaced in stain and mar resistant high pressure laminate. Recessed bottoms in durable black finish.

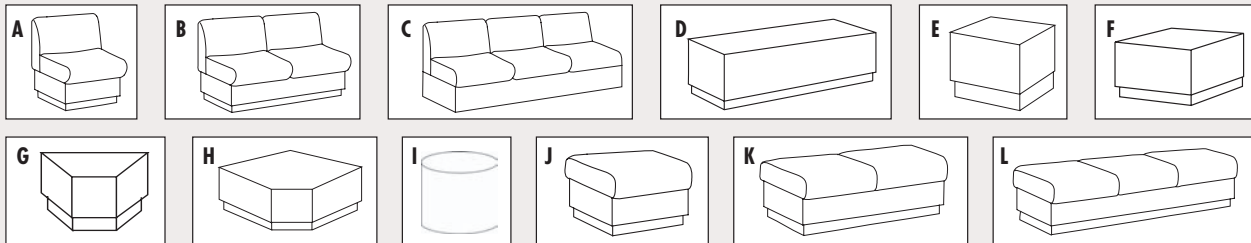

Use units separately or set together in groups.

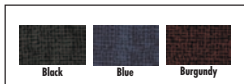

Ideal for high traffic areas.
