CAFETERIA TABLES

WLF022-SSU1212

Folds compactly for storage

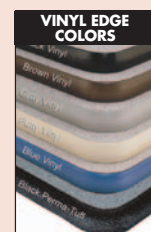

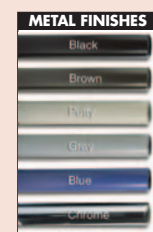

Mobile Stool Units

Reduce operating costs while improving the comfort and safety of your students, faculty, and guests. Obstacle free entrances allow easy access to each seating position. Choose between the patented round tables that promote quieter conversation and the rectangular models with our Easy-Clean feature. All tables are available with legs finished in tough powder-coated enamel or hard chrome, and special Perma-Tuff edges can be substituted for the standard vinyl edging. Quality crafted heavy-duty construction, backed by a 10-year warranty, makes these tables a great value. Stools are 13" in diameter. Freight class 200.

Specify laminate top, metal leg finish, edge and stool color when ordering. Other sizes available, contact your sales representative for details.

WORKING FOR YOU

Uniframe® Bench and Stool Tables

These tables are the easiest to operate, easiest to move, easiest to rearrange, easiest to store, even easiest to clean under. Uniframe tables with their unique combination pneumatic lift assist and torsional energy system, have the smoothest, most effort less operation in the industry. They have easy doorway clearance with a condensed footprint that requires the least amount of space. Unitized all-steel frames provide superior strength. Durable seats, tabletops and frames are built to last. 10-year warranty ensures the lowest life cycle costs. Laminate surfaces feature solid core high-density particleboard. Available in ten laminate colors with a black enamel or chrome finish to complement your school decor. FOB Manufacturer. Freight class 125.

Uniframe® Convertible Bench

Versatile combinations allow you to best outfit your space and accommodate any number of required seats. Use alone as a table or bench or combine two units together to create a cafeteria table; the ganging mechanism is fully integrated into the frame. Tops, backs, and seat tops are constructed of solid, high-density particleboard with laminated surfaces and a vinyl bullnose edge. Work surface is 29"H. When not in use, benches nest together for compact storage. Its all-steel frame is finished with black baked on enamel. Unit features 4" swivel casters to permit easy maneuverability and non-marring rubber surface glides when unit is in use. Choose from three laminate top color selections. Some assembly required. FOB Manufacturer. 8' bench. Weight: 135 lbs. Freight class 125.
