

# Grant-Match 2011 Application

## Science Laboratory Materials and Equipment

The **GRANT-MATCH** Program will benefit your school by boosting other grant funding your school receives to be used for the purchase of science laboratory materials and equipment. **GRANT-MATCH** awards are based on these other grants and ordering these materials through Sargent-Welch, Science Kit, or Ward's Natural Science. This program may significantly increase your effective purchasing power when using grant funding.

To apply, please complete this form (sections I-III) and return two copies to our **GRANT-MATCH** expert, **Laurie Meholic** at **PO Box 4130, Buffalo, NY 14217** or **Fax: 800-676-2540** or **email: lmecholic@vwreducation.com**. Returning this application for matching **GRANT-MATCH** awards does not obligate you or your school/district in any way, and it will be used by Sargent-Welch, Science Kit, or Ward's Natural Science only to assist in determining the level of grant awards for which you may qualify. Grant minimum is \$1,000.00.

Award of this grant will supercede any other purchase agreements between applicant school or district and Sargent-Welch, Science Kit, or Ward's. **All awards must be used at the time of purchase of any or all materials and cannot be held or issued in the form of credits for future purchases.** Only materials cataloged and stocked by Sargent-Welch, Science Kit, or Ward's can be purchased with GRANT-MATCH awards on the GRANT-MATCH program. **All items must be purchased through one company, with the grant match dollars being used within that same company.** Shipping is free on most items, excluding furniture, live materials, custom kits, and drop ship items. There is no grant match on shipping dollars. This award will expire one year from date of approval. Sargent-Welch, Science Kit, or Ward's reserves the right to exclude any item or group of items from purchase through GRANT-MATCH awards. Once approved, applicant will have a minimum of one calendar year in which to complete purchases. Total supplies or equipment value of GRANT-MATCH will be calculated by multiplying total of purchases from Sargent-Welch, Science Kit, or Ward's by 1.20. Grant Match awards apply to current Sargent-Welch, Science Kit, or Ward's catalog — **no other discounts or offers apply.**
