

Sargent-Welch Grant-Match 2009 Grant Application

Science Laboratory Materials and Equipment

The Sargent-Welch GRANT-MATCH Program will benefit your school by boosting other grant funding your school receives to be used for the purchase of science laboratory materials and equipment. **Sargent-Welch's Grant Match** awards are based on these other grants and ordering these materials through Sargent-Welch. This program may significantly increase your effective purchasing power when using grant funding.

To apply, please complete this form (sections I-III) and return two copies to: **GRANT-MATCH Program; Sargent-Welch; 403 Vansickle Rd. St Catherines, ON L2S 3Z7 or Fax: 800-676-2540**. Returning this application for matching **Sargent-Welch GRANT MATCH** awards does not obligate you or your school/district in any way, and it will be used by Sargent-Welch only to assist in determining the level of grant awards for which you may qualify. Applications are also available from our web site at www.sargentwelch.com (.pdf file).

Award of this grant will supercede any other purchase agreements between applicant school or district and Sargent-Welch. All awards must be used at the time of purchase of any or all materials and cannot be held or issued in the form of credits for future purchases. Only materials cataloged and stocked by Sargent-Welch or VWR Scientific can be purchased with Grant Match awards on the GRANT MATCH program. This award will expire one year from date of approval by Sargent-Welch. Sargent-Welch reserves the right to exclude any item or group of items from purchase through GRANT MATCH awards. Once approved, applicant will have a minimum of one calendar year in which to complete purchases. Total supplies or equipment value of GRANT MATCH will be calculated by multiplying total of purchases from Sargent-Welch by 1.20. Grant Match awards apply to current Sargent-Welch catalog — no other discounts or offers apply.
